

Ellen MacRae

Ellen was re-elected in March 2021 and is Edinburgh University Students' Association's (EUSA) first returning President. She has been directly involved in the University's and Association's response to the Covid-19 pandemic, one of the main reasons she reran was to provide continuity for the organisation.

Ellen was a direct entry, BSc Biomedical Sciences, student at the University of Edinburgh and graduated in June 2020.

During her time at University, she was involved in the committees of a variety of different societies and worked for EUSA's Venue Operations department since May 2019 which is where she realised her passion for working for her student body. As President, Ellen leads the overall representation of the student body to the University. They are the main contact for the Students' Association and also chairs the Association's Board of Trustees and Association Executive.

After her time in office, Ellen intends to pursue a career within medical charities and academic research in the field of genetic counselling and reproductive health.
