

## **Ellen MacRae**

Ellen was a direct entry, BSc Biomedical Sciences, student at the University of Edinburgh and graduated in June 2020. During her time at University, Ellen was involved in the committees of a variety of different societies included the Duke of Edinburgh Award and the Sub-Aqua Club. Ellen ran for the position of Students' Association President as she believed that her skills and experiences as a student of the University would aid her in improving the accessibility and inclusivity of the University and the Association. She also had previous experience of the Association as she had worked for the Venue Operations department since May 2019 which is where she realised her passion for working for her student body. As President, Ellen leads the overall representation of the student body to the University and gets to sit on University Executive. She is the main contact for the Students' Association and also chairs the Association's Board of Trustees and Association Executive.

After her time in office, Ellen intends to pursue a career in science communications and academic research in the field of genetic counselling and reproductive health.
