

Principal's Strategy Group Meeting 21 May 2012

Amongst the items discussed were:

1. Strategic Plan 2012-2016

Dr Cornish led the Group through the current version of the Strategic Plan and discussed the feedback received from the meeting of the University Court on 14th May 2012. The Group debated the outstanding queries and offered their advice on the further refinement of the draft.

2. Risk Register

The Group considered and discussed the risk register and suggested that the risks associated with interaction with the UKBA should be given a more prominent position and that an item concerning ethics should be added to the register.

3. Student Support Services Review

Members discussed the paper and agreed that it would proceed to the meeting of the Central Management Group on Wednesday 25th May with support from PSG before going to F&GPC.
