

Principal's Strategy Group Meeting 28 October 2013

Amongst the items discussed were:

1. Research Councils

PSG considered the University's generally positive relationship with the Research Councils and agreed ways of building on this, including developing, an easily accessible electronic "map" of this representation. Both of these elements are relevant for all of the UK Research Councils but also the European Research Council, Horizon 20:20 and the Wellcome Trust.

2. Senior Team Retreat Outcomes

A summary document of the outcomes of the Senior Team retreat was agreed and will be circulated to Heads of Colleges and Support Groups for further dissemination.

3. Strategic Plan 2012-2016

PSG discussed current progress with the Strategic Plan targets and KPIs.
