Notes and definitions

1. This report represents all students who are or have been matriculated during the session indicated, as of the snapshot date. It includes all matriculated students with the exception of those who within 5 weeks of Semester 1 commencing either withdrew, interrupted or completed their studies. The filter is applied in order to be consistent with the approach of the Scottish Funding Council in that regard.

2. Sabbatical students currently serving a year as EUSA student representatives are excluded from these figures. The figures include full-time and part-time study of all kinds including those studying on distance learning, collaborative or modular programmes, interrupted, dormant, or visiting students and students who are writing up. Lifelong learning students who are studying for credit are included.

3. Domicile on entry groupings refer to the student's area of permanent residence prior to commencing their studies; this information is declared by the student at first matriculation.

4. Where figures are less than 5 these have been rounded up to comply with data protection requirements while other figures in the same table have been rounded to the nearest 5
