

Alistair T H Smith BSc MRICS

Alistair Smith is Head of Real Estate at Border to Coast Pensions Partnership, an FCA Regulated Pensions Investment Management company, the current chapter of a 32-year Professional Real Estate Investment, Development and Asset Management career.

Previously he was Head of Property Investment Management at Aberdeen Standard Investments.

His experience covers consultative, private equity, institutional and banking sectors through multiple economic cycles, across all asset types and international markets.

His experience further includes significant acquisition & merger, organisational strategy, business process, data and change and service supplier selection and performance management.

Alistair graduated BSc Land Economics and is a senior member and Chair of Professional Competence Assessment Panels for the Royal Institution of Chartered Surveyors. He is a former Treasurer of the Royal Company of Merchants of the City of Edinburgh; former Governor of the Erskine Stewarts Melville Schools and reserve forces officer having been commissioned into the Edinburgh University Officer Training Corps.
