

Dora Herndon

Dora is President of the Edinburgh University Students' Association for the 2024/2025 Academic Year. As President, she works on behalf of the 49,000 students at the University of Edinburgh to give them a voice at the highest levels of the institution.

In addition to sitting on University Court, she sits on the University Executive and numerous other committees and strategy groups to represent students, their needs and the issues affecting the student experience.

In her Students' Association role, Dora's main priorities for her term revolve around improving the student experience. She is particularly interested in how the cost of living is impacting students' experiences at Edinburgh, predominantly for underrepresented student cohorts, like international and Widening Participation students.
